Dear Sir:

If the rules of your chapter permit, I should be very glad to have you extend an invitation to be present at my lecture on Tuesday, November 10th, to Miss Florence A. Angell, Keith Building, Akron, Ohio. Miss Angell is a classmate of my wife's, and, if she is not already a member of your Society, I hope it will be possible for you to grant my request.

Unless I learn, when I reach Cleveland, that it will be possible for me to proceed from Akron to Toledo by bus, I shall probably try to return to Cleveland after my talk. In either event, I should reach your city early in the afternoon from Cleveland, (where I shall be at the Wade Park Manor Hotel), and I shall communicate with you on my arrival. I should appreciate a brief word from you at Cleveland as to whether it would be feasible to return from Akron to Cleveland late in the afternoon and whether or not there are facilities for reaching Toledo not later than noon on Wednesday the 11th.

Very truly yours,

SN:JG
